

Hi all, I hope you all had a great Canada Day. It appears that the weather is cooperating for Wednesday, clearly my prayers worked. I just need to work on my accuracy, much like my golf game 😊.

Here's a repeat of the details:

### **DATE**

- Wednesday July 5th, First tee time 3:10pm, consult list below for your actual time.

### **LOCATION**

- Duntroon Highlands , 1226 Nottawasaga Concession 10, Duntroon, 705-445-3554, <https://goo.gl/maps/8Jrop5FS3AKik84r6>

### **ARRIVAL**

- Please arrive at least 20 minutes before your tee time. Our carts will all be tagged with the player names. Bring your clubs and load them onto your assigned cart. There is no need to check in at the pro shop, except if you need to purchase some golf swag and/or buy presents for your golf organizer 😊. Proceed to the first tee at your allotted tee

time. After completion of the nine holes return to the clubhouse for dinner and drinks.

## **DINNER**

- A multi course buffet dinner will be served, and will start shortly after the last golfers finish and have returned to the Clubhouse. Drinks will be available during the tournament and at dinner, Payment can be made with cash or credit.

## **FORMAT**

- 9 hole, Scramble with Drop out.
- All players tee off, then choose the best drive. The player whose ball is chosen as best, drops out for the next shot, and this process continues until a ball is on the green.
- In the unlikely event that all players shank their shots and can't find their ball, drop ball latterly and add a penalty stroke.
- Once on the green, all players putt the best ball, with a maximum of three putts per hole.
- Bob Halpenny can't make the new date but Larry Hogarth has volunteered to take photos, so remember to dress nice 😊.
- Please record your score on the scorecard provided. Continue play to the next hole, stop and return to the club house after playing the 9<sup>th</sup> hole.
- Please ensure your scorecard includes the names of your team members and the team number.
- Please return your completed scorecard to the Proshop when finished.

## **PRIZES**

- Prizes will be awarded to the foursome with the best score, and the individual with the longest drive and closest to the pin.
