

EUGENIA AROUND THE LAKE TOUR AUG 6TH

"Rainy days on Tuesdays always get me down"...

A Route (no "B" route):

Starting from Top O' the Rock just north of Eugenia on Grey 13, we will head north on 13, then east on Grey 31 and 10th Concession to Grey 2. South on Grey 2 to the 8th Concession where we return west across the lake causeway, and via a brief glimpse of the cottages on Macdonalds road (but not including a view of the old man's farm), we arrive at Eugenia. A quick ride through the town and then south on Grey 13 brings us back to the starting point.

This ride is approx. 35 k in beautiful rolling countryside with lots up ups and downs, great scenery with forests, farmlands and vistas. There are no long grinding climbs. About 9k of the ride is on gravel which is well packed. 23mm and 25mm tires will be able to cope, but will not be very happy.
