

Probus Blue Mountain Paddling Group

## **Paddle Green Island and surrounding Georgian Bay**

**August 29 2024**

The versatility of this route makes for a great paddle and new experience. Enjoy the clear waters of Georgian Bay from Matchedash Bay out to Green Island where we will stop for lunch and swim breaks. Note that these are good pike and bass fishing waters (I have landed a few here).

We will meet at Swift Canoe & Kayak, 3048 Mayhew Road, and Waubaushene at 9.45 for 10am launch and be back at launch site at 4pm (an all-day event) Bring lunch, bug spray and sunscreen. (Allow 1 1/4 hours' drive time from Collingwood)

Rentals available at launch site - canoe \$45.00 or Kayak \$40.00 plus tax. Paddles and safety gear included. No charge for parking or use of launch ramp.

Please advise Jim Higgins: [combined@rogers.com](mailto:combined@rogers.com) by Monday, August 26 if you will be joining us, and whether you require a rental. Feel free to invite a spouse or friend.
